PERRYSBURG WINS

Defeat the Athletics in a Well Played Game.

The Perrysburg team again showed their ability last Sunday to play ball when they defeated the Athletics by a score of 5 to 1. Divins pitched a fine game, allowing but four hits and striking out ten men, while the team played a swell game behind him, both on the defensive and offensive. They got to Miller for eleven hits, Divins and Reis being the chief offenders.

Schlect got a nice three-base hit. Reis and Divins are still fighting it out for batting honors. Each got two singles and a double in four times up, Sunday.

Midget Reis had a disgusted look when he struck out in the fifth. Not often that they can turn that luck on him.

Snyder failed to get his hit Sunday.

With one out in the fifth, Divins passed two men and then struck out the next two up.

Divins put them down one, two, three in the third over the strike-out route.

Noble got a hit in the fourth, stole second and scored on singles by Divins and Long.

The Midget made a grand-stand catch of a line drive by Broadway in the fourth.

In the third, fourth and fifth the visitors were retired in order.

In but two innings did Perrysburg fail to get men on bases.

The four hits made off Divins were made in four different innings. Perrysburg had six men stranded on bases and the Athletics seven.

Teething children have more or less diarrhoea, which can be controlled by giving Chamberlain's Colic, Cholera and Diarrhoea Remedy. All that is necessary is to give the prescribed dose after each operation of the bowels more than natural and then castor oil to cleanse the system. It is safe and sure. Sold by C. P. Champney.

SOMTHING DOING

And the Results Will be of Benefit to Village.

There was a special meeting of the village council on Tuesday evening, called for the purpose of considering the question of repairing Front street.

There were several citizens present who were there for the purpose of encouraging the council in their efforts to repair a much neglected part of the town's streets.

There was a considerable display of oratory and several propositions were voted down.

Powers introduced a motion for the improvement of the street, accepting the commissioners' offer of crushed stone and rolling and the use of Carbon-via dressing. The motion received the votes of Debling, Hollenbeck, Powers and Williams, 4, and was opposed by Degner and Stickle, 2, and the Mayor declared the motion lost. Following this action there was a general impromptu discussion of the subject and finally resulted in passing, by an unanimous vote, the following:

Be it resolved by the incorporated village of Perrysburg, 3-4 of the whole members elected thereto concurring:

1st. That we accept the proposition of the county commissioners to furnish the stone and screenings to repair Front street, the village paying for the carting and scattering of same.

2d. That we apply one coat of road oil.

3d. That we clean both street and catch basins.

4th. That the cost to the village shall not exceed \$500, and all work be done under the supervision of the street committee.

Soreness of the muscles, whether induced by violent exercise or injury, is quickly relieved by the free application of Chamberlain's Liniment. This liniment is equally valuable for muscular rheumatism, and always affords quick relief. Sold by C. P. Champney.

GINNIVAN & GOOD.

The Ginnivan & Good Dramatic Co., closed a week's engagement here last Saturday evening and left for Maumee where they are playing this week.

They played to good crowds each night and the longer they stayed the larger the audience got for all who attended were unanimous in pronouncing it the best repertoire company that ever visited our town. The entire company created a good impression both on and off the stage and should they ever visit our town again they will surely be accorded a hearty welcome and a liberal patronage. The band was by no means the least attractive feature and the open air concerts given each night were highly appreciated.

The entire repertoire of plays are good and were all well received but probably the one that occasioned the most favorable comment was St. Elmo, which was produced on Friday night. Ed. Branch in the role of St. Elmo, proved himself an actor in a class high above the average who visit towns of this size and presented the two sides of a dual character of a Jeckel and Hyde life with a vividness that caused the audience to shudder at the perfidiousness of his nature and then applaud the nobler side of his life as revealed through his true character.

When the stomach fails to perform its functions, the bowels become deranged, the liver and the kidneys congested causing numerous diseases. The stomach and liver must be restored to a healthy condition and Chamberlain's Stomach and Liver Tablets can be depended upon to do it. Easy to take and most effective. Sold by C. P. Champney.

DRUGGISTS WIN

State Pharmaceutical Board Refuses to Disqualify Them.

At a meeting of the Ohio State Board of Pharmacy held in Sandusky Wednesday, the 13th, the cases against George Rogers and George Carmack, of Bowling Green, were considered. They were accused of violating the law of the state as druggists and, in case of conviction by the state board, were subject to forfeiture of their licenses as assistant pharmacist and pharmacist, respectively.

After lengthy discussion and deliberation of the cases the board acquitted both men, the vote being three to two.

The men had complaint brought against them before the state board on the ground that they had been twice convicted of violating the Rose law.

The first cases on which they were convicted have been taken up through the common pleas, circuit and supreme courts after the conviction in Judge Nearing's court. The common pleas and circuit courts both permitted petitions in error to be filed but the supreme court refused this privilege which practically throws the cases back to probate court for execution of judgment.

In the last cases in which prescriptions filed were the burden of the charges conviction was had in Judge Nearing's court and fines aggregating \$1500 in the several cases against Rogers Brothers and Carmack were assessed. These cases have gone up to common pleas court on error.

The defense before the state board stated that the prescriptions had been issued by a physician of repute.

LICENSE RECEIPTS

For Automobiles Makes Large Sum of Money.

The State auto tag next year will be jet black. Last year it was blue, this year mahogany, and Secretary of State Carmi Thompson and State Registrar Kaley decided that next year they will be black. Advertisements will be placed at once for the furnishing of 30,000 of these tags. This year 20,000 were contracted for, but since first deliveries two additional lots of 5,000 have been purchased making a total of 30,000 and this amount is expected to run the department the remainder of the year. All the money, except the actual expense of operating the department, is turned in the state treasury for the highways of Ohio and more than \$100,000 will be divided among eighty-eight counties of the state from the receipt this year.

INJURED WHILE RACING.

While racing one another Thursday night the drivers of two rigs attempted to pass that of James Nixon near Scotch Ridge. The result was that the Nixon rig and that of the stranger collided and the occupants of both buggies were thrown out. James Nixon had his arm wrenched, while one companion, Miss Flossie McCrory, escaped with slight bruises. The other companion, Miss Mary Householder, was badly bruised and cut by the fall and has not yet recovered. The driver of the other rig was knocked senseless but recovered and drove off.—Sentinel.

BUGGY AND AUTO

Collide and Passengers Are Bruised but Not Seriously.

John Armitage, Joseph Lang and the Misses Stella and Ethel Getz of near Dowling, were thrown out of their rig Sunday afternoon a mile north of Vollmar's park when their horse became frightened at a passing automobile and toppled the buggy over the hill.

All of the occupants of the buggy were bruised and cut or scratched up painfully with the exception of Miss Stella Getz.

Their rig was upset and the buggy demolished, but they escaped with nothing more serious, apparently, than some painful bruises and their horse was not otherwise injured.

Those Pies of Boyhood.

How delicious were the pies of boyhood. No pies now ever taste so good. What's changed? The pies? No. It's you. You've lost the strong, healthy stomach, the vigorous liver, the active kidneys, the regular bowels of boyhood. Your digestion is poor and you blame the food. What's needed? A complete toning up by Electric Bitters of all organs of digestion—Stomach, Liver, Kidneys, Bowels. Try them. They'll restore your boyhood appetite and appreciation of food and fairly saturate your body with new health, strength and vigor. 50c at C. P. Champney's.
